## Principal

### **Mr Andrew Ponsford**

A very warm welcome to all families. I hope the summer break was a most refreshing and relaxing time and that the new school year has commenced in a most positive manner for you. I have spent time watching and listening to the interaction at the start and end of today – our first day has been a very positive one indeed and I warmly thank parents and staff who have supported this process so successfully – your efforts here are very obvious.

I also warmly commend our students on their positivity and approach. Success is most frequently the result of a positive attitude and positive behaviours.

## **Enrolment**

We commence the year with a student population of 636 students as we progress strongly toward a target school population of 725 – 750 students. This year sees just over 120 new students and 16 new teachers commence and I take this opportunity to welcome them and their families to our community and in doing so, thank our current students for their inclusivity and friendliness.

## **Year 12 Retreat**

Currently, as preparation for the final year of studies, our Year 12 students are in retreat. This activity provides an important platform for developing capacity, a success culture as well as study, time management and self-reflection and growth skills. Just prior to their departure on Wednesday morning, the group investigated their new classrooms; which unanimously received their enthusiastic approval.

## **Preparations and Improvements**

January is a very busy and important time of preparation for the new school year and the Corporate Services Team with the support, primarily during this period of the SCG Board and senior staff, have worked with great energy and commitment to have the school ready for a February 1 start. I thank this team for the following improvements during this period:

- A wonderful new VCE Centre together with splendid landscaping improvements and student social spaces.
- Significant audio-visual enhancements to the JS Learning Hub.
- A new Science Laboratory for MS and SS students.
- 4 refurbished MS classrooms.
- Student health and safety – boom gate installation, PA system enhancements.
- Annual maintenance improvements such as painting to corridors and many rooms.

## **Semester 1 2018 Calendar**

Please find accompanying this Newsletter a detailed list of events for Terms 1 and 2. This is important information for all students and families. As per usual, an electronic copy can be found on our website, together with the Term Dates for the 2018 school year.

## **Deputy Principal and Head of Senior School**

### **Ms Louisa Rennie**

Welcome to new beginnings in the Senior School. I am delighted to welcome the following new students to our school; may your first few days be a time for settling in, making new friends, connecting with your teachers and preparing yourself for a positive and successful 2018.

## Southern Cross Grammar

As you are all aware, our Senior students begin this year in new surroundings. We are excited to provide this learning space for our students. The first few weeks will allow our students to become familiar with their new surroundings and us to understand how they will use the space. We look forward to welcoming families to walk through the classrooms and social space soon.

This week our Year 12's are on their Leadership Retreat. I look forward to sharing some of their reflections with you upon their return.

### **Year 12 Prefects**

The new year has arrived and our role as your 2018 Senior Prefects has begun. We are humbled by the opportunity to represent the student voice at Southern Cross Grammar. We are keen to work with all students and families and contribute to the ongoing development of our amazing school, for now and for future generations. We wish all students the very best for the year. We hope to be exemplary role models for you live out our student centred vision to its full potential.

Claudia Privitelli, Kate Vukoja, Phoebe Singh, Garang Dekuek, Tori Merrin and Alicia Ciacic

### **Deputy Principal and Head of Teaching and Learning** **Mrs Julie Baud**

Welcome to the 2018 school year! I trust everyone has enjoyed some quality family time over the past few weeks. A special welcome to our many new staff members. We hope they will thrive in our wonderful Southern Cross Grammar community. They bring with them an amazing diversity of natural talent, expertise and experience from which our students and other staff will benefit considerably.

I am really excited to be able to congratulate our first cohort of students to complete Year 12 subjects on their wonderful achievements. Their results were commendable and are a reflection of their persistence and hard work as well as the dedication and commitment of their teachers.

While we can thank the Year 12 teachers for supporting and preparing their students throughout last year, it is important to remember these scores are only achieved as a result of 13 years of outstanding education, not one year. So, we must recognize the efforts of those who have taught these students since they commenced their schooling at the age of 5 years and we must not forget the hard work the students have put in during their primary and middle school years.

For this reason, we will continue to develop and improve our academic programs to help ensure our students have access to the highest quality education possible across the whole school. We will also continue to impress upon our younger students why it is important to be engaged in their learning at all times. A focus on aiming high, being determined, achieving your best and striving for excellence are important in all year levels and are also critical aspects of our student centred vision.

I wish our students and families, particularly our new families, all the best for the start of what should be an exciting school year; the first time we are an F-12 school!

### **Head of Middle School**

#### **Ms Janis Coffey**

Welcome back, Middle School students! It was wonderful to see the hallways buzzing with Middle Schoolers today who were excitedly heading to their classes and spending time catching up with friends and meeting new students to SCG. I look forward to a dynamic and inspiring year ahead of us in 2018. While there are many goals to be fulfilled, tasks to be done and exams to be studied for in this coming year, it is important to remember that learning is a journey. And, as Lao Tzu said, "a journey of a thousand miles begins with a single step." So, as we begin this new year together, let's take each day as it comes and bring our best selves to class each day.

There are a few important things to note with the beginning of the 2018 academic year.

#### **Lockers**

All Year 7 – 9 students are required to have a lock on their locker. Students can purchase a lock through the Middle School Office for \$10. Please ensure each student has a lock by the end of this week.

#### **Absences & Early Departures**

Parents are required to inform the School Reception at (03) 8363 2000 if their child(ren) will be absent from school or intends to depart early. No student in Middle School should be arranging departures with parents during the day. If students do contact parents during the day via a mobile device to report an illness, parents are requested to contact the School directly to inform us immediately so that we can attend to students. It is important to us at SCG that we are monitoring student wellbeing; and, close communication between parents and School will help us be successful in this aim.

#### **Middle School Diaries**

All Middle School students have received a Student Diary today. Students are requested to bring them to School every day.

## Head of Junior School

**Ms Romina Pimpini**

What a positive start to our Junior School for 2018!

We have welcomed new students and some new staff to join our Southern Cross Grammar community. Our Foundation students have settled in very well and are getting used to their new routine already. Congratulations to them and their parents for the way in which they have prepared for this transition to school life.

Classroom teachers have done an AMAZING job to get the year started well. Please be sure to communicate with your child's classroom teacher around matters as a first-port of call for your child.

F-4 Students were all well-presented today, and with the sunny weather continuing in to next week, a friendly reminder that students should bring the following with them to school each day:

- Drink bottle
- Hat
- iPad

Next week, we will have an opportunity to meet with parents who wish to meet with the classroom teacher on Monday 5 February and Tuesday 6 February from 3:30pm. Information in regards to bookings and availability will be communicated to families. This opportunity would be especially ideal for new students to our school in 2018, as parents will not have met teachers prior to this year. I look forward to meeting so many parents and family members as the year progresses.

## Sport News—Swimming Training

All students who are new to Southern Cross Grammar in 2018 are invited to attend Tuesday morning swim training sessions if they would like the opportunity to be considered for selection onto a district swim team. These sessions are held Tuesday mornings from 7am—8am at Paul Sadler, Parkwood Green. For more information please email [ipanozzo@scg.vic.edu.au](mailto:ipanozzo@scg.vic.edu.au).

## Students Leaving Early

Parents are to notify Homeroom Teachers by email, with a copy to administration, of student appointments prior to them being collected. They are to be collected from the JS reception.

## Student Lunches

Please note that there are no microwave ovens in the JS classrooms this year. We request parents provide cold lunches that do not require heating for students.
