SOUTHERN CROSS
GRAMMAR

Culture of success

The Southern Cross Grammar School uniform is an important aspect of the School's commitment to building a safe and respectful school environment with high expectations for all students. The SCG dress code exemplifies care in personal presentation and enhances the reputation of the individual and the School. The uniform must be worn in the correct manner on all school occasions, including when travelling to and from school.

Students are permitted to wear their full sport uniform to school on the days that they have Sport or Physical Education. In cases where there might be variation from this routine (e.g. House Events), parents will be given notice in writing. When attending a sporting fixture, students must wear the School tracksuit. Correct sport uniform is to be worn at practices and matches unless otherwise arranged by coaches.

All uniform items listed are able to be purchased from the approved uniform supplier.

To assist with the return of lost items all articles of clothing, bags, books, equipment and personal property should be clearly labelled with the owner's name. We recommend using iron-on labels.
