

The Southern Star

Grammar

Mr Andrew Ponsford Principal

A very warm welcome back to all families for an allimportant Term 3. It is a critical time of consolidation, a time in which to make the necessary adjustments as early as possible in order to 'get things right' before critical endof-year assessments.

Thinking all that needs to be done can all be done in Term 4 is, in many ways, 'leaving your run' much too late!

I have deliberately been out and about in the school community to gauge the success of our return to school and engagement.

Our recommencement has been nothing short of inspirational, and it is very heartening indeed to see such student engagement and dedication. Well done to students and staff on this early momentum!

While it is most disappointing that the feedback contained in Semester 1 Student Reports has have been delayed, this is beyond our control.

Although feedback to enhance performance from teachers is always valuable and important, we also need to sense for ourselves where and how we can make improvements and take our performance to the next level.

This self-evaluation requires reflective skills and a certain amount of 'initiative and inner responsibility'. These skills and qualities have also has been evident in our start to Term 3, and pleasingly, we have not been overly distracted by this unfortunate situation.

I am advised that reports will be with students and their families this Friday.

Community updates and congratulations

A welcome to Ms Evelyn Smith, who will be teaching fulltime in the areas of Maths and Science, replacing Ms Vincent. A welcome back to the English and Humanities areas for Mrs Lee Oldham-Jones after her maternity leave.

As part of our continued growth and specialisation, Ms Sophie Comber has commenced a new role as our Communications Officer and will therefore have responsibility for such areas as our website, the Southern Star, community Facebook communications, and oversight of corporate style guides and publications. Ms Ashlee Watson will join us on 3 August as our Daily Organiser.

Other news

Ms Louisa Rennie was invited to present to several international audiences on her recently-released co-authored book. Also during the break, Ms Janis Coffey was sponsored to take part in an international convention.

Congratulations to Mr David Wildsmith and Ms Andrea Clarry, who were married last weekend in Canada. Congratulations to Ms Sophie Macreadie, who was also recently married.

Student Progress Interviews

In recent weeks, a team comprising of teachers from across the sections of the School have met to discuss how we can best give feedback to parents during Student Progress Interviews.

After much discussion and review of best practice in schools, we will be hosting Student Progress Interviews this term on Tuesday 7 August and Thursday 9 August 2018 running from 3:30pm – 8:00pm and 9:30am – 8:00pm respectively.

Students will still be required to attend the Student Progress Interviews with parents in their full School uniform. This means that on Thursday 9 August, SCG students from F-11 will not be required to attend classes during the day and will be required to attend the interviews only. Year 12 VCE classes will continue to run on this day.

We hope that this initiative will enable parents to see all teachers as required and that teachers as well will be able to give adequate feedback in a less time-pressured environment.

For reflection – A resilient culture

On Monday 16 July the staff and I had the pleasure and privilege of listening to John Hendry. If you have not, then I very strongly suggest you do! The positive feedback from staff has been deafening, for his message is life-impacting.

It was an important opportunity to refocus and re-energise and John facilitated this using a very powerful manner. Please find below some excerpts for your consideration.

A resilient culture is an inclusive culture, one that appreciates the fact that people do struggle with challenge and this struggle can limit motivation, engagement and application.

The resilient culture recognizes that "self-regard" is directly influenced by "social-regard", that other people matter. Social regard is the critical factor in how we regard ourselves and this social-regard is clearly posited in the "lived" culture, be it at home, at work, at school or at play. How others regard us determines directly our capacity to be resilient.

A resilient culture establishes an enabling and supportive social-regard context that does promote people being vulnerable and taking a risk, trying positively by addressing the challenge presented without the fear of being diminished, critically judged by others in a status sense for making an error or for not managing the challenge as well as one should or as well as one may have been expected to do so.

A resilient culture encourages one to be vulnerable, to "have a go", to try something, to reach beyond "the safe", to explore and to experience the unknown. A resilient culture promotes all to understand that exploration into the known unknowns is okay as is the more interesting and more vulnerable world of the known unknowns.

The resilient culture establishes hope and courage to present and to be actioned.

How cultures are structured in a resilience sense determines how we relate, how we live, how we grow and what is achieved and whether or not we have a sense of "common good". Resilient cultures live moment-to-moment upon adding meaning to the lives of all. Resilient cultures are kind and promote the five elements critical to humane and constructive relationships that enable all to live meaningful and productive lives.

These five defining elements are trust, forgiveness, integrity, hope and compassion. The resilient cultures present these foundations. The resilient culture is the way forward.

John's message is one for individuals, partners, team members, families and organisations. As a school, we will not achieve our full potential without students, staff, and parents and carers committing to this collaborative culture.

We all need to incorporate trust, forgiveness, integrity, hope and compassion if we are to be at our strongest and best.

Mrs Julie Baud Deputy Principal, Head of Teaching and Learning

I trust everybody had a relaxing and enjoyable holiday break. It was certainly a good opportunity to recharge the batteries and catch up on some sleep on these cold winter mornings. It was lovely to welcome the students back on Tuesday. They all seemed so eager to learn as classes commenced!

Semester 1 reports will be given to students to take home in a sealed envelope on Friday afternoon with each student's report packaged in a separate envelope.

We apologise once again for the delay in getting these out to families. As was explained in the recent communication, the issue with the reports was something we had no control over. The software company was very apologetic for the errors and thank everybody for their patience and understanding.

The Subject Application process commences next week with interviews for parents/carers of the 2019 Year 11 and 12 students to be held on the following dates/times:

 $\begin{array}{ll} \mbox{Monday 23 July} & 3.30\mbox{pm} - 6.30\mbox{pm} \\ \mbox{Tuesday 24 July} & 3.30\mbox{pm} - 6.30\mbox{pm} \\ \mbox{Wednesday 25 July} & 3.30\mbox{pm} - 6.30\mbox{pm} \\ \mbox{Thursday 26 July} & 3.30\mbox{pm} - 6.30\mbox{pm} \end{array}$

A letter containing these details was emailed to current Year 10 and 11 families on Tuesday 17 July, together with information about what to take to the interview and the form to be completed prior to the interview.

Interview times can be made by phoning Kellie Neil at the school on 8363 2000. Families interested in meeting with the Pathways Coordinator, Mr Paolo Familari, to discuss specific programs, tertiary courses or alternative pathways should contact Mr Familari via email (pfamilari@scg.vic.edu.au).

Current Year 9 students wishing to apply to study a Year 11 subject in 2019 are to return the application form to me in the VCE Centre by 3.30pm on Monday 23 July. These forms were distributed at the 2019 Year 10 Information Night on Wednesday 23 May and additional copies were also given out this week.

Mr Joseph Hedditch Acting Head of Senior School

The Third Quarter

Teams are not just made up of the players on the field. Teams are made up of the players, coaches, medical personnel and a plethora of others—similar to the team here at Southern Cross Grammar. A team of students, parents, teachers and various other vital contributors behind the scenes, all working through four quarters towards a common goal.

How fitting as we commence the third term here at Southern Cross Grammar. Often referred to as 'The Premiership Quarter' in sporting contexts, the third quarter of a contest requires increased effort for great reward. It is the defining quarter. Building upon our first half efforts this year in term one and two I encourage all students, especially those in the Senior School, to embrace this notion and give it their all both on and off the field.

Maximum effort whilst wearing the Southern Cross Grammar uniform on the field, but equally important is a concerted effort off the field, ensuring great nutrition, regular exercise and adequate rest. This point was highlighted earlier in the week by John Hendry (OAM), who spoke to the staff team about the importance of each at our recent staff professional development day. A fitting reminder of the various, yet equally important elements required to achieve success.

The teams that utilise their opportunities and do the 'extras' reap the rewards. One way to get started for our senior students is by way of signing up to the Connect Education sessions mentioned below.

All of this, in an effort to finish the final quarter with great momentum, giving ourselves and the rest of the team the best chance of success when the final siren sounds. Good luck and best wishes to all contributors of the team during the third quarter. The Premiership Quarter.

Term 3 Unit 3/4 Revision Lectures

These lectures will be held in our Careers Room and have been developed in partnership with our teaching staff to focus on the areas that will most benefit our students leading into their exams.

All school-based lectures will run from 3:30pm – 6:30pm. There will be no cost to families. Families will receive a email with further information regarding the subjects and dates.

Ms Romina Pimpini Head of Junior School

Year 6 and Year 4 Captains hosted a remarkable Years F-8 Assembly on the final day of last term.

It was truly a recipe for celebration, including 9 different presentations. These included a reflection on the Year 6 Canberra Camp, Year 3 poetry renditions, Year 4 students sharing about diversity in Health & Positive Education, a Year 8 & 6 NAIDOC Art activity, the launch of the Junior School Joy Jar by 3AB, as well as our Athletics Age Champions from Years 3-8.

For the finale of our Assembly, the Year 7s worked together to share a dance-off they had rehearsed following a very successful Lip-Sync competition in the final week of term. What a great team effort and choreography by Charlotte Privitelli!

Our Athletics Age Champions for 2018 are:

8 Year Girls - Mia Tran

8 Year Boys - Gabriel Hyde

9 Year Girls - Gabriella Valdes

9 Year Boys – Sebastian Gavran

10 year Girls – Tanesha Grech

10 Year Boys - Evan Le

11 Year Girls - Jasmine Lim

11 Year Boys – Joseph Iulianella

12-13 Year Girls (Primary) – Sakari Clarke-Oldani

12-13 Year Boys (Primary) - Jake Williams

12-13 Year Girls (Secondary) - Tayla Aykutlu

12-13 Year Boys (Secondary) - Christopher Yangco

14 Year Girls – Tayla Bloor

14 Year Boys – Shivan Bahl

Congratulations to the many students who presented on the day – you were certainly brave and very entertaining to our wide audience!

A special thanks to Sakari Clarke-Oldani, Sophie Fosnaugh, Lukas Li Rosi, Nivethan Nakuladeva, Lily Pham, Lana Sapcanin, Noah Veljanovski, Josie Woollard for working collaboratively and hosting a rich assembly shared by all.

Recently I sent a communication home to all Junior School families about our playground. A reminder that the playground on-site is not part of our supervised area before and after school. Parents and carers are reminded that any children using the

playground should be supervised by an adult.

We have been involved with Word Mania for approximately 3 weeks now, and below is the ranking of all year levels at SCG from Year 1 to Year 6. Keep being word maniacs – practice makes perfect, and the competition is set to begin on July 30.

Class 5LM won a merchandise pack for sending in a video of them using Word Mania in their classroom, congratulations! This video will also be featured in the promotion for the 2019 Word Mania Competition.

Current ranking within Melbourne's West:

	Skill Practice	Participation Practice
Year 1	3 rd	3 rd
Year 2	3 rd	11 th
Year 3	2 nd	9 th
Year 4	14 th	18 th
Year 5	4 th	4 th
Year 6	2 nd	3 rd

Great going everyone, keep it up ©

Life Education Program for Years F-6

We have begun Term 3 with a rich learning experience at the Life Ed Van. Students have been undertaking workshops covering a wide range of health-related topics, ranging from the human body and how it works, healthy eating and nutrition, medicines and drugs, bullying, resilience and social skills.

Fairytale Cookbook ~ Years 1 & 2

Have you ever followed a recipe to make something new? This week our Year 1 and Year 2 students enjoyed a Fairytale Cookbook experience where they took part in drama and improvisation activities to create their own story. Of course, everyone then got to create their own character, including heroes, villains and sidekicks!

This workshop will really boost students' narrative writing skills, as they learnt to delve deeply in to description and create dynamic versions of events. We cannot wait to see what students can produce next.

Year 1 & 2 classroom teachers

Kayla Jones—Fundraising

Kayla leaves for the School Sport Australia Swimming Championships in Tasmania next Wednesday 25 July. To help Kayla fund her journey, there will be a Goodies Stall on Monday 23 July during the lunch breaks.

Item for sale will include lollies, chips and cookies. Raffle tickets will also be available to purchase.

SCG Chess Club will be running again in Term 3 on Tuesdays for the first 30 minutes of lunchtime in both the Junior School and Middle School. Classes are suitable for beginners and advanced players. \$11 per week, \$88 for the term (excluding swimming week).

All registrations and payments made via www.kidsunlimited.com.au.

Cynthia Drossinis Art Teacher

Middle School Collaborative Art Project NAIDOC Week – (8 July to 15 July)

Celebrations are held across Australia each July to celebrate the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC is celebrated not only in Aboriginal Australian communities, but by non-Aboriginal Australians from all walks of life.

As part of NAIDOC Week students in Middle School Art engaged in a collective art project, showcasing what NAIDOC Week means to them. This work will be displayed in the CS Square Centre throughout the month of July, go check it out and support your child's achievement!

Year 10 Art - Self Expression Portraiture

Year 10 Art students reflected on the work of others to inspire and inform their own art creation. They engaged in the Studio Practice and presented a self-portrait that conveyed personal thoughts, feelings and beliefs.

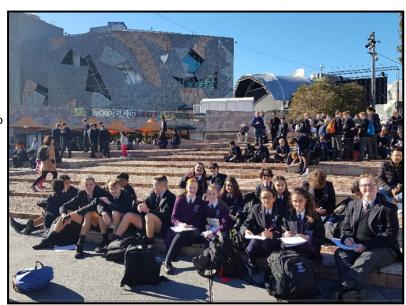

Design Thinking Excursion:

Last term our Year 9 class travelled to the Melbourne city to learn about youth homelessness around Australia. We were fortunate enough to visit the Front Yard Youth Service building to learn about youths without a home. It was an eye-opening experience in which we heard first-hand stories from those who had previously experienced or been at severe risk of homelessness. We were educated about the different aspects of homelessness and how our preconceptions differ from the true stories of what it's like living without a home and 'sleeping rough'. Afterwards, we took a walk in the city to take in our surroundings and reflect on how lucky we are to be living with the privileges we have. Overall, it was an inspirational experience where we learnt lots and became more aware of the things that happen in our society, which will stay with us forever. Kayla and Hannah Year 9.

The **STARS** of NGL

invite you to take part in...

NEW GENERATION LEARNING DAY

F-9 Students will take part in a workshop, of their choice, that will draw attention to the SCG Student Centred Vision values & the theme *Our Country: Past and Present*.

DAY: FRIDAY, DAY 5
DATE: 3RD AUGUST
LOCATION: S.C.G JS/MS

Years 10, 11 and 12 students will undertake regular classes but are invited to attend the end of day assembly/expo.

PARENTS ARE WELCOME TO ATTEND THE ASSEMBLY/EXPO AT 2:20PM (JS grass area)
