

**Mr Andrew Ponsford
Principal**

Outdoor education (camps) programs play an important role in forming character traits that serve you well beyond the immediate time they are honed.

I fondly look back on my own experiences at school and know that they still serve me today – these ‘adventures’ and those on the sporting field, together with family, friends and hands on ‘school’ learning are the key experiences that enable me to do the work I undertake each day.

In some cases, these lessons were learnt over 50 years ago and continue to serve me well pretty powerful learning!

I hope that our Year 7 students are doing plenty of ‘learning’ both individually and collectively this week, combining this aspect, with lots of fun and adventure.

The camps program at our school is compulsory for the above reasons and I take this opportunity to wish all SCG students a most rewarding experience when their time comes. An overview of the program is listed below:

Year 1	Dinner at School	Term 3
Year 2	Sleepover	Term 3
Years 3/4	Anglesea	Term 4
Year 5	Wilson’s Promontory	Term 1
Year 6	Canberra	Term 2
Year 7	Anglesea	Term 1
Year 8	Mt Buller	Term 2
Year 9	Broome, City and China Experiences	Term 2
Year 10	Optional – Driver Education (Charlton)	Term 2
Years 10-12	Optional – Peru, South America	Term 4

Mrs Julie Baud
Deputy Principal
Head of Teaching and Learning (F – 12)

Thank you to the many Senior School families who attended the Information Night on Monday evening. I hope you found it beneficial. I explained many very important VCAA (Victorian Curriculum and Assessment Authority) and Southern Cross Grammar rules and policies associated with the VCE (Victorian Certificate of Education) during my presentation. Our new VCE Coordinator, Ms Megan Unthank, also presented a number of policies and procedures to be implemented this year that students and parents also need to be aware of.

This information is included in the 2019 Senior School Policy Handbook that was distributed on Monday night. I cannot stress enough the importance of Senior School parents and students having an understanding of the contents of this Policy Handbook. It is extremely important families read it very carefully together and then discuss its contents. Students who weren't able to attend should have been given a copy of the Handbook this week. If not, they can collect one from me.

As per VCAA rules, all students undertaking one or more VCE subjects will be asked to sign an agreement next week confirming they understand and agree to abide by these rules. There will be opportunities for them to ask questions prior to this if they are unsure about anything.

Ms Louisa Rennie
Deputy Principal
Head of Senior School (10-12)

Investment and presence

Grateful thanks to the many students and parents who joined us on Monday evening for the Senior School Information Evening. It was a wonderful opportunity to meet with many of you and focus on the needs of our Y10, Y11 and Y12 students so early in the year. At the meeting, I focused on two key themes for 2019, investment and presence.

As teachers and parents, we have a shared investment in your child, and they too, must make an active choice to invest in themselves if they are to achieve the ideal return on that investment, being success and happiness. I will talk more throughout the year about the importance of investing in one's self, firstly recognising that you are worthy of that investment and to then focus on what that looks like in practice. I encourage you to continue this conversation with your child

over the course of the year.

One aspect of that investment is presence, being fully present in the moment, whether it be during homeroom, in class or at a whole school event. We are one community and the presence of each senior school student within that community is important, because without them, our community is not whole. Everyone matters, and everyone has a contribution to make. This is a necessary part of building and sustaining a quality learning culture.

We were delighted to have a 100% attendance of our Y12 students at last week's Swimming Carnival. Their choice to attend says a great deal about who they are as individuals, their willingness to engage in school activity and to model to their fellow peers what "presence" looks like in action. Thank you to all of our Y12 students for making the Swimming Carnival a wonderful day.

Ms Janis Coffey
Head of Middle School (5-9)

Junior School Class Captains – Term 1 2019

There were so many students who had the courage to nominate themselves for these roles. Even though they may not have been appointed this term, they can try again across the remainder of the year and build confidence in their presentation to their peers. What a great experience to learn from.

Soggy weather dampened our Swimming Carnival on Tuesday, but it did not dampen our team spirit. Our Year 1-4 students demonstrated their ability to be creative and problem solve when faced with a change in program for this day. It was wonderful to see to the many students who showed care and

patience to others as we joined together and shared some time in the JS Hub with our teachers over a long-lunch.

Next Monday 18 February, we look forward to welcoming all our Parents and Carers to a very interactive Junior School Information Evening. This will start at 6.00pm and you will have the opportunity to meet our Junior School Staff, as well as work with other Parents and Carers in some active learning, just as our students do!

2019 Student Residential Address Collection

On 20 September 2018 the Commonwealth Government announced that it will implement a new methodology to calculate the Commonwealth's needs-based funding arrangements for non-government schools. This follows a review of the existing socio-economic status (SES) score methodology by the National School Resourcing Board. Further information about the review and the Government's response can be found here: <https://www.education.gov.au/review-socio-economic-status-ses-score-methodology>.

Southern Cross Grammar is required to complete "The 2019 Student Residential Address Collection" and submit data to the Australian Government Department of Education and Training (the department)

The address collection contains the following information about each student at the school:

- Student residential address (not student names)
- Student level of education (i.e. whether the student is a primary or secondary student)
- Names and residential addresses of students' parent(s) and/or guardian(s)

As a parent/guardian, you do not need to provide any information directly to the department. The only thing you need to do is ensure your address details are up-to-date with our school. If you need to update your child/ren's residential address details, please contact the Office on 8363 2000 or email to admin@scg.vic.edu.au.

Attached to this newsletter is the 2019 Student Residential Address and Other Information collection notice which provides further infor-

mation including information regarding the privacy of your personal information.

Board Nominations and Annual General Meeting

The School Company Annual General Meeting (AGM) will be held early in Term 2.

SCG Swimming Carnival

On Wednesday 6 February the Year 7-12 Swimming Carnival took place at Melton Waves Leisure Centre. This was the first time the carnival has been split into a Year 7-12 event rather than a whole school event as in previous years. The reason for the decision was to create a more inclusive event allowing for maximal participation and engagement for all students irrespective of whether they were a competitive swimmer or not.

The novelty section of the day composed of four different stations; Jenga Challenge, Tug of War, Egg & Spoon relay and Water Polo. Students showed great house spirit and the engagement amongst peers was great to see.

In terms of the competition in the pool it was once again hotly contested across a number of different 50-100m events. The following records were broken throughout the day.

Aaryan Ram – 16 years, 100m freestyle, 50m backstroke & 50m butterfly

Kayla Jones – 16 years, 100m freestyle, 50m breaststroke & 50m butterfly

Congratulations to all students and teachers alike on a successful day and a big congratulations to Alpha house who took home the house honours.

Unfortunately we were not graced with the greatest of weather conditions for yesterday's Year 1-6 carnival. Due to safety concerns

with rain and storms around the area, the day was unfortunately halted 45 minutes into proceedings. Time trials will be offered for students in Year 1- 6 who wish to compete at the next level. Further Information will follow.

2020 Enrolment Program

Please note that interviews for Foundation and Year 7 2020 placements will commence this term. Strong interest is evident and therefore it is important that sibling applications for 2020 are held by the School at this point. If you know of any interested family friends, applications need to be received immediately to avoid disappointment.

City of Melton Four Treasures Exhibition

Calligraphy and ink painting by Melton Chinese Friendship Association

- 1 February- 13 March
- Caroline Springs Gallery and Melton Library

"Drawing on thousands of years of tradition, local ink painters and calligraphers celebrate Chinese New Year with a selection of recent works. The Four Treasures refer to the ink brush, inkstick, paper and inkstone which are the four essential tools of Chinese calligraphy and painting. This exhibition, created by senior citizens of the Melton Chinese Friendship Association, is a sample of the fine ink and brush techniques used to create delicate lines, shades and tones in these two time-honoured Chinese art forms." - City of Melton website

For parents/guardians of students:

2019 Student Residential Address and Other Information collection notice

This notice is from the Australian Government Department of Education and Training (the department), to advise you that the department has requested that your child's school provide a statement of addresses, in accordance with the Australian Education Regulation 2013 (Cth) (Regulation).

A *statement of addresses* contains the following information about each student at the school:

- Student residential address (**not student names**)
- Student level of education (i.e. whether the student is a primary or secondary student)
- Student boarding school status (i.e. whether the student is boarding or a day student)
- Names and residential addresses of students' parent(s) and/or guardian(s)

Schools generate a record number for each student for the purposes of this collection, which is also provided to the department.

Purpose of the collection

This collection is routinely used to inform Commonwealth school education policy, and to help ensure that Commonwealth funding arrangements for non-government schools are based on need, and are fair and transparent.

On 20 September 2018 the Government announced that it will implement a new, improved capacity to contribute methodology used in the calculation of the Commonwealth's needs-based funding arrangements for non-government schools. This follows a review of the existing socio-economic status (SES) score methodology by the National School Resourcing Board. Further information about the review and the Government's response can be found here: <https://www.education.gov.au/review-socio-economic-status-ses-score-methodology>.

The information collected in the *statement of addresses* will be used to refine the new capacity to contribute methodology and may also be used in school funding calculations from 2020.

Use and disclosure of personal information

Your personal information is protected by law, including the *Privacy Act 1988* (Cth). Any use and disclosure of your personal information relating to the *statement of addresses* will occur in accordance with the Regulation.

Your personal information may be used by the department, or disclosed to the Australian Bureau of Statistics (ABS), for the purposes of SES score policy development, reviewing SES score methodology, calculating SES scores, Commonwealth school education policy development (including school funding), or where it is otherwise required or authorised by law.

For example, your personal information may be provided to the ABS for statistical and research purposes, which includes data integration projects such as the Multi-Agency Data Integration Project (MADIP). Further information on the MADIP can be found here:

[http://www.abs.gov.au/websitedbs/D3310114.nsf/4a256353001af3ed4b2562bb00121564/9099c77cb979d558ca258198001b27a0/\\$FILE/MADIP%20iPIA_2018.pdf](http://www.abs.gov.au/websitedbs/D3310114.nsf/4a256353001af3ed4b2562bb00121564/9099c77cb979d558ca258198001b27a0/$FILE/MADIP%20iPIA_2018.pdf).

The department may, from time to time, carry out audits of school submissions. In the event of an audit, contracted auditors may seek to compare a school's *statement of addresses* with student enrolment information held by the school. These contractors will not use the information for any other purpose.

The department may also be required to disclose your personal information to its service providers, including the Australian Government Department of Jobs and Small Business, for the purposes of the provision of information and communications technology (ICT) support services to the department.

What do you need to do?

You are not required to do anything. Your school is responsible for providing the requested details to the department, however, you may wish to ensure that your school has the most up-to-date and correct details for your family.

Contacts for further information

Your school can provide additional information about the process of the address collection.

If you have any further questions regarding the collection, you can contact the department by:

- Email: seshelpdesk@education.gov.au
- Phone (free call): SES helpdesk on 1800 677 027 (Option 4)

The department's privacy policy is available on the department's website at www.education.gov.au. The privacy policy contains information about:

- how individuals can access and seek correction of the personal information held by the department;
- how complaints about breaches of the *Privacy Act 1988* (Cth) can be made; and
- how the department will deal with these complaints.
