

## Bring Your Own Device (BYOD) Program 2020 Update

Consistent with 2019 requirements communicated previously, in 2020 we will be continuing our Bring Your Own Device (BYOD) Program.

Students within Foundation to Year 6 are required to bring an iPad. Students Years 7 to Year 12 will bring their own laptop. The open nature of the laptop program allows for the selection and purchase of a device that best meets both the functional and financial priorities of each family. Whilst the laptop program is not compulsory, it is desirable that students have access to a device when required.

### Foundation – Year 6 | iPad Bring Your Own Device (BYOD) Program

Hardware Specifications	
<b>Operating System</b>	Apple iOS 13 or later
<b>Storage</b>	Minimum 16GB   Recommended 32GB or greater
<b>Supported Devices</b>	12.9-inch iPad Pro (2nd generation)   12.9-inch iPad Pro (1st generation)   10.5-inch iPad Pro   9.7-inch iPad Pro   11-inch iPad Pro   iPad (7th generation)   iPad (6th generation)   iPad (5th generation)   iPad Air 3   iPad Air 2   iPad mini 4 <i>*At the time of writing, these are the devices that support iOS 12 or later</i>
<b>Warranty/Insurance</b>	Devices purchased within Australia will come with a 1 Year Manufacturer Warranty from the supplier by default, and you may be entitled to additional coverages through consumer law and should be aware of your rights.  At the point of purchase, we recommend asking about AppleCare+ for iPad which would provide you with up to two years of additional hardware coverage, including up to two incidents of Accidental Damage – very important for when those unfortunate little accidents do happen.

### Year 7 – Year 12 | Laptop Bring Your Own Device (BYOD) Program

Hardware Specifications	
<b>Form Factor</b>	Laptops, tablets or convertible devices are permitted provided a physical keyboard is available to allow for sufficient typing speed Devices should also have a headphone jack, webcam, microphone and WiFi
<b>Weight</b>	Devices should weigh less than 2kg
<b>Screen Size</b>	Minimum 11.6" Display   Maximum of 15.6" recommended
<b>Operating System</b>	Microsoft Windows 10 or later Apple MacOS 10.15 Catalina or later ( <i>note: upgrade from old versions is free</i> )
<b>CPU</b>	Minimum Intel i3 or equivalent   Recommended Intel i5 or greater
<b>Memory (RAM)</b>	Minimum 4GB   Recommended 8GB or greater
<b>Storage</b>	Minimum 128GB   Recommended 256GB or greater <i>*Always ask for Solid State Drive (SSD) Storage for increased performance</i>
<b>Battery Life</b>	Minimum 6 Hour Battery Life   Recommended 8 Hour or Greater Battery Life
<b>Warranty/Insurance</b>	Devices purchased within Australia will come with a 1 Year Manufacturer Warranty from the supplier by default, and you may be entitled to additional coverages through consumer law and should be aware of your rights.  We recommend purchasing extended coverage policies with your device, to ensure you can get the most out of your device over its lifetime for your child. Recommended Warranty Coverage: 3 Years Recommended Accidental Damage Protection Coverage: 3 Years <i>*Ensure your coverage policies allow for onsite repairs, not mail-in repairs</i> <i>*Determine if there is an excess payable for a claim, varies between suppliers</i> <i>*Check if your extended device warranty covers the battery, not all do</i>

Additional information regarding the BYOD Program may be distributed throughout the year as information updates, ensuring we stay ahead of the latest developments and best practices.
