# Southern Cross Grammar Directors' Report For the Year Ended 31 December 2020

## PRINCIPAL ACTIVITY

The company was incorporated on 21 February 2011 and commenced operations on 18 July 2011. The entity's principal activity during the year was the operation of an independent co-educational school for students from Foundation to Year Twelve.

## SHORT AND LONG TERM OBJECTIVES

Southern Cross Grammar (SCG) is a vibrant, F-12 school focused on maximising the learning of every member in our school community. Founded in the 21st century, we have an ongoing commitment to providing modern, up-to-date facilities, teaching and learning practices. With a capacity to balance traditional approaches with contemporary ideas supported by latest research, we are committed to selecting the best methods to suit our students' needs.

## PERFORMANCE MEASUREMENT

The Board of Management will ordinarily meet six times per year and receives and reviews against the strategic plan, reports from the Principal and other members of the School's management relating to academic performance, financial results, school operations (including student welfare) and property matters.

## MEMBERS' GUARANTEES

In the event of the School being wound up the liability of the members is limited to \$50 each.

Number of current members: 23 (2019: 27)

## AUDITOR'S INDEPENDENCE DECLARATION

The auditor's independence declaration under the Australian Charities and Not-for-profits Commission Act 2012 is attached on page 5.

## RESOLUTION

Signed in accordance with a resolution of the Board of Directors made pursuant to subsection 60.15(2) of the Australian Charities and Not-for-profits Commission Regulation 2013.

On behalf of the directors:

Director

## Notes to the Financial Statements

### For the Year Ended 31 December 2020

## 1. INTRODUCTION

Southern Cross Grammar ("the School") is a company limited by guarantee, registered and domiciled in Victoria, Australia. The operations and principal activities of Southern Cross Grammar comprise the provision of educational services. The financial statements are presented in Australian dollars. The registered office and principal place of business is 2-20 Lancefield Drive, Caroline Springs, Victoria 3023.

The financial report was authorised for issue by the Board of Directors of Southern Cross Grammar on the date shown on the Declaration by the Board of Directors attached to the financial statements.

## 2. SUMMARY OF ACCOUNTING POLICIES

### Basis of Preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and interpretations issued by the Australian Accounting Standards Board and the Australian Charities and Not-for-profits Commission Act 2012. These financial statements do not comply with International Financial Reporting Standards issued by the International Accounting Standards Board (IASB).

### Compliance with Australian Accounting Standards - Reduced Disclosures Requirements

The financial statements of Southern Cross Grammar comply with Australian Accounting Standards - Reduced Disclosure Requirements as issued by the Australian Accounting Standards Board (AASB). The school is considered to be a not-for-profit entity and has prepared the financial statements in accordance with the requirements regarding not-for-profit entities as contained in the Australian Accounting Standards.

### New, revised or amending Accounting Standards and Interpretations adopted

The school has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

### Rounding of Amounts

The company is of a kind referred to in Corporations Instrument 2016/191, issued by the Australian Securities and Investments Commission, relating to 'rounding-off'. Amounts in this report have been rounded off in accordance with that Corporations Instrument to the nearest dollar, unless specifically stated otherwise.

### Historical Cost Convention

These financial statements have been prepared under the historical cost convention, as modified by the revaluation of available-for-sale financial assets, financial assets and liabilities (including derivative instruments) at fair value through profit or loss, certain classes of property, plant and equipment and investment property.

#### (a) Overall Policy

The financial report has been prepared on an accruals basis using the historical cost method, and except where stated does not take into account current valuations of non-current assets.

#### (b) Financial Assets and Financial Liabilities

Financial assets and financial liabilities are recognised on the statement of financial position when the School becomes party to the contractual provisions of the financial instrument.

A financial asset is derecognised when the contractual rights to the cash flows from the financial assets expire or are transferred and no longer controlled by the School.

A financial liability is removed from the statement of financial position when the obligation specified in the contract is discharged or cancelled or expires.

#### (c) Impairment

At each reporting date the School reviews the carrying amounts of assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss if any. The Directors are satisfied that the carrying amounts of assets do not exceed the net amounts that are expected to be recovered through the cash inflows and outflows arising from the continued use and subsequent disposal of the assets.

## 2. SUMMARY OF ACCOUNTING POLICIES (continued)

### (d) Income Tax

The School is exempt from income tax under Section 50-5 of the Income Tax Assessment Act 1997 as an educational institution.

### (e) Property, Plant & Equipment

Property, plant & equipment have been recorded at cost and are depreciated as set out in (f) below.

### (f) Depreciation

Depreciation is provided on all property, plant and equipment, other than land, so as to write off the assets over their useful lives using the straight line method.

The following depreciation rates are in use:

▪ Buildings	4.0% to 5.0%	(2019: 4.0% to 5.0%)
▪ Office Equipment	20.0%	(2019: 20.0%)
▪ ICT Equipment	33.3%	(2019: 33.3%)
▪ Library Equipment	10.0%	(2019: 10.0%)
▪ Grounds Equipment	10.0%	(2019: 10.0%)
▪ Software	25.0%	(2019: 25.0%)
▪ Music Equipment	10.0%	(2019: 10.0%)

### (g) Employee Benefits

The following liabilities arising in respect of employee benefits are measured at their nominal amounts:

- wages and salaries and annual leave, regardless of whether they are expected to be settled within twelve months of balance date.
- other employee benefits which are expected to be settled within twelve months of balance date.

All other employee benefits, including long service leave, are measured at the present value of the estimated future cash outflows in respect of services provided up to balance date.

### (h) Receivables

Receivables represent the principal amounts due at balance date plus accrued interest and less, where applicable, allowance for expected credit losses. An estimate for expected credit losses is made based on lifetime collection of expected loss having grouped receivables on days overdue.

### (i) Trade and Other Payables

Trade and other payables represent the principal amounts outstanding at balance date plus, where applicable, any accrued interest.

### (j) Borrowing Costs

Borrowing costs other than those related to qualifying assets are recognised as an expense in the period in which they are incurred.

### (k) Interest-Bearing Loans and Borrowings

All loans and borrowings are initially recognised at cost, being the fair value of the consideration received net of issue costs associated with the borrowing. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Amortised cost is calculated by taking into account any issue costs, and any discount or premium on settlement.

Gains or losses are recognised in the statement of comprehensive income when the liabilities are derecognised as well as through the amortisation process.

### (l) Revenue

The School recognises revenue as follows:

#### *Revenue from contracts with customers*

Revenue is recognised at an amount that reflects the consideration to which the company is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the company: identifies

## 2. SUMMARY OF ACCOUNTING POLICIES (continued)

the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

### *Donations*

Donations are recognised at the time the pledge is made.

### *Grants*

Grant revenue is recognised in profit or loss when the company satisfies the performance obligation stated within the funding agreements. If conditions are attached to the grant which must be satisfied before the company is eligible to retain the contribution, the grant will be recognised in the statement of financial position as a liability until those conditions are satisfied.

### *Interest*

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

### **(m) Income in Advance**

In some instances the School receives tuition fees and enrolment fees in advance of providing services. Such receipts are recorded as income in advance until the financial period in which the service is provided at which time they are recognised as revenue.

### **(n) Goods and Services Tax ('GST') and Other Similar Taxes**

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows. Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

### **(o) Critical accounting Judgements, Estimates and Assumptions**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

#### *Estimation of useful lives of assets*

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

## 2. SUMMARY OF ACCOUNTING POLICIES (continued)

### *Allowance for expected credit losses*

The allowance for expected credit losses assessment requires a degree of estimation and judgement. It is based on the lifetime expected credit loss, grouped based on days overdue, and makes assumptions to allocate an overall expected credit loss rate for each group. These assumptions include recent experience and historical collection rates.

### *Long service leave provision*

The liability for long service leave is recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

## INDEPENDENT AUDITOR'S REPORT

To the members of Southern Cross Grammar

### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of Southern Cross Grammar (the school), which comprises the statement of financial position as at 31 December 2020, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including a summary of significant accounting policies, and the directors' declaration.

In our opinion the accompanying financial report of Southern Cross Grammar, is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (i) Giving a true and fair view of the school's financial position as at 31 December 2020 and of its financial performance for the year then ended; and
- (ii) Complying with Australian Accounting Standards - Reduced Disclosure Requirements and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

#### Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the school in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other information

Those charged with governance are responsible for the other information. The other information obtained at the date of this auditor's report is information included in the Southern Cross Grammar's annual report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of directors for the Financial Report**

The directors of the school are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the ACNC Act, and for such internal control as the directors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, directors are responsible for assessing the school's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the school's financial reporting process.

### **Auditor's responsibilities for the audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<http://www.auasb.gov.au/Home.aspx>) at:
